Well its here, the new Fam Bill and I know everyone is SUPER busy including me. It looks like we have a lot of new programs to learn. Job security!!

Please keep our military in your prayers. I talked to my brother in law who is deployed in Iraq and he says it is 120 degrees there. I could not imagine being in that kind of heat carrying a 40 pound backpack and ammunition at one time. We need to really pray hard for these troops for they are risking there lives for

If you have any concerns or questions, please contact you're District GACOE Representative, we are there to help and try to get the answers you need.
