

**Vice President's Report**  
**By: Barbara Jackson**

I wish to say a great big "T H A N K Y O U" to everyone for the effort they put into making the convention at St. Simons the one to remember!! GACOE officers and the District Representatives worked hard to make this happen, and I appreciate you. I want to personally say THANKS to all the volunteers, we could not have done it without you. Also, big thanks to those who could not go but helped in other ways, such as providing door prizes and donating auction items. This was a tremendous help. Again, thanks to all of you who had a part in making this happen. There were people at this convention from all over the United States and they are still talking about this one, thanks to all of you!!!

It's vacation time again. There is so much for a person, or family to do in this great country of ours! The possibilities are endless! Just around the corner, there is the NASCOE Convention in Omaha, Nebraska. Why not make this a family vacation? The people in Nebraska are sure to make you feel at home.

Remember if you have any questions or concerns please let them be known. I wish for all of you a very safe and healthy summer. Please try to stay COOL.
